

Initial equality impact assessment screening form This form records an equality screening process to determine the relevance of equality to a proposal, and a decision whether or not a full EIA would be appropriate or proportionate.			
Directorate		Environment	
Service area		Climate Change	
Proposal being screened		Response to the government call for evidence on solar car parks and electric vehicle charging	
Officer(s) carrying out screening		John Ward-Campbell	
What are you proposing to do?		Respond to DESNZ via their online questionnaire.	
Why are you proposing this? What are the desired outcomes?		To ensure the council's views are heard in developing national policy.	
Does the proposal involve a significant commitment or removal of resources? Please give details.		No	
Impact on people with any of the following protected characteristics as defined by the Equality Act 2010, or NYC's additional agreed characteristics As part of this assessment, please consider the following questions: - To what extent is this service used by particular groups of people with protected characteristics? - Does the proposal relate to functions that previous consultation has identified as important? - Do different groups have different needs or experiences in the area the proposal relates to? If for any characteristic it is considered that there is likely to be an adverse impact or you have ticked 'Don't know/no info available', then a full EIA should be carried out where this is proportionate. You are advised to speak to your directorate representative for advice if you are in any doubt.
