**Subject:** Re: No. 1 Representation - C25/00467/LAPFUV

Dear Steph,

Thank you for forwarding the applicant's response. While I appreciate the assurances given by Mr Verity, my concerns remain and I do not wish to withdraw my representation.

The issue is not limited to piped music or weather conditions but to the noise generated by customers themselves. Conversations, laughter, and movement of furniture carry easily across Cold Bath Road in the evening, particularly when the surrounding area is quieter. Even with the canopy, these sounds are clearly audible from my property.

Although the applicant states it is unlikely customers would use the exposed

terrace during colder months, the proposed variation would permit it all year round, and any such use between 21:00 and 23:00 would cause disturbance to my household, especially my young children whose sleep is already sensitive to evening noise.

The current restrictions provide a reasonable balance between the needs of the business and the rights of residents to the peaceful enjoyment of their homes. Removing them risks undermining that balance and, in my view, would conflict with the licensing objectives of preventing public nuisance and protecting children from harm.

I therefore ask that my objection remain in place and that the Licensing Sub-Committee consider the likely impact on those living directly opposite the premises.

Kind regards,

Chris
