- the prevention of public nuisance
- the protection of children from harm

Please state the grounds for representation (and include any supporting evidence where applicable):

I am writing this email in relation to the proposed licence application for Starbeck Convenience, 35A High Street, Starbeck, HG2 7LQ.

I and many other residents in the Starbeck area are becoming increasingly concerned with anti-social behaviour fuelled by alcohol and/or substances in the local area, namely in the Spa Lane area of Starbeck, directly opposite to where this proposed new business is looking to open up.

While myself and other residents of Starbeck are always welcome to new businesses opening up in the local area, the application for a licence to consume alcohol off the premises directly opposite to an area currently rife with anti-social behaviour seems as though it is not in the best interests of the community, nor in the interest of preventing crime and disorder, public nuisance, and ensuring public safety, especially a business that (based on the attached photograph of the advertisement of a licensing application) plans on selling alcohol 24 hours a day, 7 days a week.

I hope that North Yorkshire County Council takes the local community's concerns seriously with this application, and that the application be carefully reviewed before being considered for approval.

Please state if there are any amendments to the application or conditions that may be imposed to overcome any concerns:
