Section 3 - Representations

Your representation must be based on the likely effect of the proposed activities on at least one of the four licensing objectives. Please select all that apply to your representation:

- the prevention of crime and disorder
- public safety
- the prevention of public nuisance
- the protection of children from harm

Please state the grounds for representation (and include any supporting evidence where applicable):

Good afternoon,

I am contacting you about the alcohol licence for the above premises.

I wish to formally object to the application on the following grounds:

- The proposed times of opening are excessively late and are not in keeping with other retail stores in the area.
- The premises may attract visitors from outside Starbeck who are seeking late night alcohol and cause additional associated problems.
- Starbeck is home to a homeless shelter. This premises would inevitably attract people from there, exacerbating the current problems they are causing.
- The location is inappropriate for such a retail store, next to a railway station and could attract customers who may make railway users, particularly vulnerable users, feel anxious or scared, especially late at night.
- The location has no need of an additional retail store and is well served by Coop and another retail store, within 100 metres.
- There is insufficient parking in the location.

Please state if there are any amendments to the application or conditions that may be imposed to overcome any concerns:
