Section 3 - Representations

Your representation must be based on the likely effect of the proposed activities on at least one of the four licensing objectives. Please select all that apply to your representation:

- the prevention of crime and disorder
- public safety
- the prevention of public nuisance
- the protection of children from harm

Please state the grounds for representation (and include any supporting evidence where applicable):

I would like my email submitted as a legitimate objection to the application for a retail Premises Licence at the titled address. Along with many other residents of Starbeck, it is felt, we already have enough well established and trusted premises, in Co-op, Morrisons and Tescos, being managed and staffed by known local people. These existing establishments are currently limited to 10 and 11pm late licences in accordance with their business requirements, which I think the majority of local residents are quite happy with and meets the absolute limitation of local requirement.

A 24 hour outlet, would sit outside of local needs and would be another potential risk for underage alcohol and tobacco abuse, drug abuse and distribution, other targeted criminal activity and potential disturbances to local residents this outlet will no doubt will bring with it. Extra pressures we should not be putting on parents, residents and policing resources, that are already stretched. This would no doubt cause greater unwanted disturbances in the local community. I implore common sense when considering this application.

Please state if there are any amendments to the application or conditions that may be imposed to overcome any concerns:

Permission should not be granted on this occasion. We do not need another store and especially one that opens 24 hours.
