

North Yorkshire Council

Pension Board

23 October 2025

Work Programme

1.0 Purpose of the Report

To detail the areas of planned work by the Pension Board

2.0 Future Activity

Previous reports to the Board have set out a number of areas that could be identified as potential priority areas of work for Board Members to provide scoping reports to subsequent meetings. At previous meetings it was suggested that consideration be given as to how to progress project work more effectively before undertaking any further projects. Further consideration will be given to this matter, going forward.

Resources would need to be available, via relevant officers, to assist Board Members with their approach to the development of projects subsequently identified.
