

Hi thank you for your email

Yes I would like to ask for another year renewal please!

The reason is honestly I have this car since she had 3000 miles on the clock , basically since she was new, and I was the only driver ever since , she has been very well maintained, only with quality parts , service on time with the best oil on the market, driven properly, basically I've looked after her !

The car it's in perfect condition and honestly gives loads of reason that she can drive another year, the mechanic which did the inspection and the MOT thinks the same ! I will sent couple of pictures to show you as well !

I would really appreciate if I can get another year out of it would be great !
