

HACKNEY PLATE 018 [REDACTED]

TO:
Taxi Licensing
Richmond District Council
Mercury House

Dear Sir/Madame

My Licensed taxi, stated above has become 10 years old.

I would like you to consider extending its use as a Hackney carriage over the Councils 10 year policy on the grounds listed below.

1. We are now one council and adhere to Hambleton Council rules so all districts should be like for like on vehicle age.
2. I see older Hackney vehicles over 10 years old being licensed in neighbouring districts to Richmondshire
3. [REDACTED] is in very good condition
4. [REDACTED] is regularly serviced and maintained
5. [REDACTED] has only done 20/30,000 miles a year whilst been a hackney carriage

I look forward to hearing from you any further inspection of the vehicle is most welcome.

Kind Regards

Michael Peverell
