Dear Joanna McMurdo,

Thank-you for your time on the phone today. North Yorkshire Police have received your application for the variation of a premises licence in respect of the Drunken Piglet, Cold Bath Road, Harrogate, HG2 0NA. I understand that originally the conditions agreed with the former premises licence holder hadn't been applied to your licence. I've received confirmation from the licensing authority that they should have been and now will be. I've therefore included them at the bottom of this e-mail for your reference only until you receive a copy of your updated premises licence.

Regarding this variation, as discussed, I'm keen to ensure your licence conditions are specific, proportionate and enforceable. I've therefore proposed the following condition be added to your operating schedule. If you are happy with that, then for the sake of clarity for the Licensing Authority, please could you respond to this e-mail confirming that you are happy to agree to the below condition in italics please, and I will then forward that to the Licensing Authority cc'ing you in as an audit trail. If you're not happy to adopt this condition please let me know and we'll work to reach agreement during the consultation period if possible. Given Xmas is soon upon us and the end of the consultation period is 02/01/25, **I'd be grateful for a response to this e-mail prior to the 23rd December.** Thank-you.
