Officer(s) carrying out screening	Tony Watson – Head of Economy and Tourism		
What are you proposing to do?	To get approval for a response to the National Consultation on Overnight Levy.

Does the proposal involve a significant commitment or removal of resources? Please give details.	No.		
Impact on people with any of the following protected characteristics as defined by the Equality Act 2010, or NYC's additional agreed characteristics As part of this assessment, please consider the following questions:			
<ul style="list-style-type: none"> To what extent is this service used by particular groups of people with protected characteristics? Does the proposal relate to functions that previous consultation has identified as important? Do different groups have different needs or experiences in the area the proposal relates to? 			
If for any characteristic it is considered that there is likely to be an adverse impact or you have ticked 'Don't know/no info available', then a full EIA should be carried out where this is proportionate. Does the proposal relate to an area where there are known inequalities/probable impacts (for example, disabled people's access to public transport)? Please give details.	No. Our proposed response does encourage national government to factor this into any future legislation around the overnight levy.		

<p>Will the proposal have a significant effect on how other organisations operate? (for example, partners, funding criteria, etc.). Do any of these organisations support people with protected characteristics? Please explain why you have reached this conclusion.</p>	<p>No. This is simply a response to a National Consultation on a proposed new overnight levy.</p>			
<p>Decision (Please tick one option)</p>	<p>EIA not relevant or proportionate:</p>	<p>✓</p>	<p>Continue to full EIA:</p>	
<p>Reason for decision</p>	<p>This is a response to a consultation, rather than a policy decision. Our proposed response encourages government to mandate EIA's are conducted ahead of any future legislation being brought in. It also encourages Mayors to do the same during any mandated local consultation.</p>
