Date	Minute No and subject	Resolution/Action	Comment/completed
29 October 2020 - ongoing	Minute No 245 (b) – Vacancy for Scheme Member representatives	A vacancy for a Scheme Member Representative remains.	There is still a vacancy for a Scheme Member representative with efforts to fill that continuing.
20 July 2017 - ongoing	Minute No 100 – Risk Register / Minute No 123 – Annual discussion with Treasurer of NYPF / Minute no 177(b) – progress on Issues raised / Minute no 186 Pooling / Minute no 217(b), 231 (b) and 261 (b) -	That Pension Board Members be provided with the background documents/ staffing structure/ financial information in relation to pooling. Following that, a structure was required to determine how reports were to be provided, going forward. This remained a significant issue particularly in respect of the amount of documentation considered to be confidential by BCPP,	The Board was provided with details of the relevant information, to enable them to monitor the development of the pooling arrangements directly by the Treasurer of the NYPF, however, an appropriate reporting mechanism has still to be established, with a significant proportion of reports still deemed to be confidential by BCPP. The Treasurer continued to address this matter with BCPP. It was noted at the Meeting held in January 2021 that BCPP would shortly be publishing its draft Strategic Plan, which would

	progress on Issues raised	which hindered the scrutiny and monitoring process of the Board. It was also considered that this was hindering the feedback process for the Scheme Member representative that attends JCC Meetings.	address some of the details required by Members. Advice is still awaited in relation to this matter.
3 October 2019 / 16 January 2020 – ongoing – delayed by COVID 19	Minute no 225 Skills Matrix / Self- Evaluation Questionnaire / Minute no 231 (b) – progress on Issues raised/ Minute no.282 - Training	The skills matrix/self-assessment questionnaire, had now also been completed by Members of the Pension Fund Committee, therefore, it was considered that their results be awaited to allow an overall training plan to be developed.	At the 4 April Meeting of the Board it was noted that Hymans Robertson provided a package of on-line training relevant to the LGPS and it was stated that this training package would be investigated for suitability and value for money to determine whether it was appropriate for Members.
14 January 2021 - ongoing	Minute no 265 – Pension administration – Breaches log	In considering whether a breach should be reported to the Pensions Regulator it was noted that further details were expected back from HMRC before it could be decided whether this should be reported.	Details of the report back from HMRC would be provided to the Board before a decision was made as to whether to report the breach to tPR.

14 January 2021 - ongoing	Minute no 265 – Pension administration – Data Reconciliation Projects – GMP and Pensioner Data	Both reconciliations continued to progress with a number of queries being referred back to the administration team for review and resolution.	Figures from the projects would be fed back into the Pension Board as soon as they were finalised
14 January 2021 - ongoing	Minute no 265 – Pension administration – Cyber Security	The NYPF was covered by the NYCC Policy on Cyber Security and was monitored by Technology and Change, who would be developing a series of reports on this matter for use throughout the Authority.
