Annendix A - Pensions Fund Committee: Knowledge and Skills Framework	5

#### Introduction

North Yorkshire County Council (NYCC) as the administering authority for the North Yorkshire Pension Fund (NYPF) recognises that effective financial administration and decision making can only be achieved where those involved have the relevant skills, knowledge and experience.

The 2004 Pensions Act requires that trustees of occupational pension schemes should be trained and have knowledge and understanding of the law relating to pensions and role of trustees, the principles of scheme funding and investment, and the management and administration of pension scheme benefits. Members of the Pension Fund Committee (PFC) are not legally trustees and are not bound by this law, however they should aim to reach a similar standard

The (PFC) has adopted the recommendations of the Chartered Institute of Public Finance and Accountancy (CIPFA) Code of Practice on Public Sector Pensions Finance Knowledge and Skills and the CIPFA Knowledge and Skills Framework for Elected Members and Non Executives in the Public Sector (Appendix A) as the basis of its training policy and programme.

### Application of the Policy

The training policy applies to all members of the PFC and council officers that have involvement in managing the Pension Fund, at any level.

## **Training Requirements**

In order to identify and meet training needs and assess whether those governing the Fund are meeting the CIPFA Framework requirements, all PFC Members agree to:

- Complete the Pensions Regulator's online <u>toolkit</u> (new Members) at https://trusteetoolkit.thepensionsregulator.gov.uk/
- Attend a basic training course (LGA Fundamentals or equivalent) designed for new members to the Pensions Committee, or as a refresher when required.
- Undertake, as a Committee, regular training as set out in the annual training plan.
- Highlight any areas where further training is required following subjects covered in PFC meetings or, following attendance at any external training events or conferences.
- Undertake an annual self-assessment of the CIPFA knowledge and skills framework for Elected Members and Non Executives in the Public Sector.

Officers with responsibility for managing the LGPS are expected to have a detailed understanding of the CIPFA Knowledge and Skills Framework requirements for LGPS Practitioners, taking account of the requirements of their roles.

Officers will engage with the Individual Performance Management (IPM) process to identify any knowledge gaps and address training requirements.

### **Training Delivery**

Training will be delivered using a variety of methods including but not limited to:

- Bespoke sessions, delivered internally by the Fund's actuary, Fund Managers, Investment Consultants and
  officers
- Attendance at external conferences and seminars
- Regular updates provided at PFC meetings by officers and advisers
- Online material such as the Pension Regulator's Toolkit and other e-learning, webinars and publications
- New PFC Members will be assigned an established PFC Member during the first 12 months of term to act as a 'buddy'.

Relevant training events will be emailed to PFC Members as and when they become available. After attendance at a training event the attendee will provide feedback at the next PFC meeting. Officers will maintain a log of all events attended for compliance with reporting and monitoring requirements.

#### Review

The policy is reviewed and updated annually.

The PFC will approve a training programme for the next financial year and will review the content and delivery of the training programme at each subsequent meeting.

#### **Costs**

All training costs will be met by the Pension Fund.
