Subject: Representation regarding Premises Licence Application – One 4 All Supermarket, 54 Ramshill Road
Date: 06 March 2026 12:13:08

To whom it may concern,

I am writing to formally submit my representation against the application for a new premises licence for One 4 All Supermarket, 54 Ramshill Road, Scarborough, YO11 2QG. I am registering my objection based on the following licensing objectives:

1. The Prevention of Crime and Disorder & Public Nuisance

The Ramshill Road area already experiences significant issues with anti-social behaviour (ASB) and street drinking. Granting a further "off-premises" alcohol licence in an area already saturated with outlets will likely exacerbate these issues. An increase in the availability of low-cost alcohol late into the evening directly contributes to noise complaints, loitering, and intimidating behavior, which disturbs local residents and creates a public nuisance.

2. Cumulative Impact and Public Safety

There are currently four other supermarkets/off-licences within a very small radius of this location. The high density of alcohol outlets in this specific corridor of Scarborough has reached a tipping point. Adding another outlet increases the likelihood of alcohol-related disorder and puts an unnecessary strain on local police resources and the safety of the public using the Ramshill shopping area.

3. Impact on the Local Economy

Furthermore, the over-saturation of the market is unsustainable. While I understand the "need" for a business is not a direct licensing objective, the potential for this application to lead to the closure of long-standing existing businesses threatens the stability of our high street. A derelict storefront resulting from business failure would further contribute to the decline of the area and invite further ASB and vandalism.

Conclusion

For the reasons stated above, particularly regarding the prevention of public nuisance and crime, I urge the Licensing Committee to refuse this application.

Yours faithfully,

Subject: URGENT: Formal Objection – Premises Licence Application – One 4 All Supermarket (54 Ramshill Road)
Date: 06 March 2026 16:28:23

Dear Licensing Team,

I am writing to formally object to the premises licence application for One 4 All Supermarket, 54 Ramshill Road. I work at a business on this road, and I am writing to you out of genuine concern for the safety of my colleagues, our customers, and the public.

My objection is based on the following licensing objectives:

1. The Prevention of Crime and Disorder & Public Safety

The level of alcohol-related aggression on Ramshill Road has reached a dangerous level. To illustrate the severity of the situation, a 999 call had to be made just yesterday (March 5th, 2026) after a heavily intoxicated male began threatening to kill staff members and members of the public. This is not an isolated incident; it is a direct result of the high density of alcohol outlets already operating here. Adding a fifth supermarket selling alcohol into this environment is irresponsible. It provides yet another source for vulnerable or aggressive individuals to obtain alcohol, further fueling the violence and intimidation that retail workers on this street face daily.

2. The Prevention of Public Nuisance

With four existing supermarkets already serving this small stretch of road, we are already at a saturation point. We deal daily with street drinking, shouting, and intimidating groups congregating outside shop fronts. An additional off-licence will inevitably increase these instances of public nuisance, making the shopping experience unpleasant and frightening for the local community.

3. Economic Stability and Store Closures

The local economy cannot support a fifth major alcohol retailer. The over-saturation of the market threatens the viability of long-standing shops. If this application leads to the closure of existing businesses, we will be left with more empty units, which historically attracts further anti-social behaviour and vandalism, creating a "no-go" zone for residents.

I strongly urge the Licensing Committee to refuse this application to prevent further escalations of violence and to protect the safety of those of us who work on Ramshill Road.

Yours faithfully,

Hi

I am the owner of costcutter 31 -35 ,opposite to the above property .I want to raise few serious concern regarding new license for this property.

1- Anti social behaviour is the big challenge on ramshill ,is increasing day day .

I reported nearly 20 antisocial and theft reports only last year.

This no is increasing day by day , the only reason is the alchol and drug addict people involved in this matter.

The new license will increase this no .

We have already enough licensed premises on Ramshill road .

Anti social behaviour is big challenge for local residents and local businesses .

My business is one of the victim.

I hope the council will consider my concern and donot issue any new license .

With Best Regard,s
