

Initial equality impact assessment screening form			
This form records an equality screening process to determine the relevance of equality to a proposal, and a decision whether or not a full EIA would be appropriate or proportionate.			
Directorate	Community Development		
Service area	Housing Renewal		
Proposal being screened	New Housing Enforcement Policy for private sector housing, ensuring compliance with the Renters' Rights Act 2025 and related housing legislation, through the Council's formal governance and approval process		
Officer(s) carrying out screening	Lynn Williams		
What are you proposing to do?	Introduce a new enforcement policy.		
Why are you proposing this? What are the desired outcomes?	The policy provides a detailed enforcement framework, covering investigatory powers, informal and formal enforcement action, emergency powers, civil financial penalties, prosecutions, Rent Repayment Orders and banning orders. Adoption will ensure that North Yorkshire Council's enforcement activity is consistent, proportionate, transparent, and defensible, while enabling robust action against serious or persistent non-compliance		
Does the proposal involve a significant commitment or removal of resources? Please give details.	Minimal additional staffing resources covered via burdens funding from MHCLG.		
Impact on people with any of the following protected characteristics as defined by the Equality Act 2010, or NYC's additional agreed characteristics			
As part of this assessment, please consider the following questions:			
<ul style="list-style-type: none"> To what extent is this service used by particular groups of people with protected characteristics? Does the proposal relate to functions that previous consultation has identified as important? Do different groups have different needs or experiences in the area the proposal relates to? 			
If for any characteristic it is considered that there is likely to be an adverse impact or you have ticked 'Don't know/no info available', then a full EIA should be carried out where this is proportionate. You are advised to speak to your directorate representative for advice if you are in any doubt.
