Good afternoon,

THE PATELEY CLUB, 42 HIGH STREET, PATELEY BRIDGE, HG3 5JU PREMISES LICENCE APPLICATION LICENSING ACT 2003

We are in receipt of your objection regarding the above application.

Please note that the licensing authority must provide the applicant with copies of any relevant representations and make them publicly available. Under normal circumstances, this will include your name and address. If you believe that, in the exceptional circumstances of your case, it is necessary to withhold your name and part of your address from the applicant, please provide reasons (e.g. fear of intimidation).

Additionally, the applicant or a representative may wish to contact you by email or telephone to discuss their application or to consider any amendments that may be made to alleviate your concerns. Please confirm if we can share any of your contact details for this purpose.

Representations must relate to one or more of the four licensing objectives of crime prevention, public safety, public nuisance and child protection.

1. The prevention of crime and disorder. This relates to any crime, disorder or anti-social behaviour at the premises or related to the management of the premises. A licence holder/applicant cannot generally be held responsible for the conduct of individuals once they leave the premises;
2. Public safety. This relates to the safety of the public on the premises, for instance, fire safety, electrical circuitry, lighting, building safety or capacity, and first aid.
3. Prevention of public nuisance. This can relate to issues such as hours of operation, noise emanating from the premises, vibrations, lighting and litter.
4. Protection of children from harm. This relates to protecting children from the activities carried out on the premises whilst they are there. The law already provides special protections for children under 18 to buy alcohol.

Any comments cannot be considered if they relate to anything else, such as planning permission, the need for the premises, trade competition, or the effect on house prices. Frivolous and vexatious representations will also be rejected.

Your representation has been accepted and will be sent to the applicant who will be advised to give careful consideration and to contact this department should they wish to start negotiating with a view to resolving the issues you have raised. Should your concerns be resolved by this process you can withdraw your representation at any point.

I have attached conditions which have been agreed between the applicant and North Yorkshire Police. It should be noted that the agreed hours are in line with the current Club Premises Certificate.

If resolution cannot be reached and the representation is not withdrawn the application will be dealt with by a Licensing Sub-Committee hearing which will be arranged within 20 working days of the end of the consultation period. Please be aware that the Licensing Authority has a maximum of two months from the original submission of the application to make a final determination so it is important that any negotiation is swiftly conducted.

Should you have any questions or require clarification on any particular point please do not hesitate to contact the Licensing Team.

Good afternoon,

Thank you for your email.

Further to negotiations with the other Responsible Authorities, the applicant has agreed to amend their application. The amendment includes pulling back the licensable hours to currently align with what the current existing licence has.

If you still wish to make a representation, please could the attached form be completed and returned to us.

The reference for this case is CX183822, please ensure you quote this on any further correspondence.

Kind regards,

Lily Kerman

Their comments

I have recently received a letter from Pateley Bridge Conservative Club informing me that they have applied to extend their performance times until 1:00am. The letter also states, in brackets, that the premises are usually emptied approximately an hour and a half after closing, which would mean dispersal at around 2:30am. This premises is already a significant nuisance, and we believe that any further extension of operating hours would severely impact our quality of life due to increased noise and late-night disturbance. In our view, the club already holds a licence that extends far beyond what is reasonable for a small village setting. I have previously submitted several complaints regarding noise and antisocial behaviour associated with the premises. We therefore strongly oppose this application and respectfully request that you refuse the club's request for extended hours.
