Subject: Premises license application for The Pateley Club

Good evening,

I am writing to express my support for the premises license application for The Pateley Club (application reference 183822)

As relative newcomer to Pateley Bridge (3 years ago) I have found The Pateley Club to be a fantastic venue. The staff and the members have been extremely welcoming to myself and my wife and we have made a lot of friends through The Pateley Club. It would be difficult to imagine a more friendly and welcoming venue.

I believe it is a very important part of the community. It is a place where everyone is made to feel welcome and it fosters community spirit. The Pateley Club offers facilities such as snooker and pool that aren't available anywhere else in Pateley and also hosts a wide range of entertainment events.

The Club also raises a lot of money for charity and was a place where people could comfort each other after the sad death of a young member of the community last year.

I wholeheartedly support the premises application and I strongly believe that if the Club wasn't there it would leave a hole in the heart of the community. It has been there over a century now and I cannot imagine Pateley Bridge without it.
