Pateley Club Premises Licence Application Ref 183822

To whom it may concern

Skipton and Ripon Labour Party have used the Pateley Club for regular constituency meetings for many years, and we support the above license application. It is the ideal venue for our meetings as it is close to the centre of our constituency. There is no similar venue in the vicinity and it would cause our members considerable inconvenience if the Pateley Club were to close.

Please consider the application favourably.

Yours faithfully

Doug Clark

Secretary
Skipton and Ripon CLP
